Course Name: Introduction To Personal Property: Business Aircraft

Number of Course Instruction Hours: 4 CE Hours for Property Tax Professionals

Course Instructor: Linda Rodriguez, RPA

Course Delivery Method: Classroom (Live In-Person and Live Online)

TDLR CE Course Provider: Kimone Consulting (CE Provider # 2371)

9504 N Interstate 35, Ste 206

San Antonio, TX 78233 (Bexar County)

Email: kimone.love@outlook.com

Office: (210) 236-7255

Course Description:

This course is designed to provide real estate professionals with the opportunity to learn the fundamentals of aircraft appraisal and documentation review.

Students will be introduced to the aircraft filing process: aircraft allocation formulas (commercial and business), affidavit for personal aircraft, documentation review and verification, valuation and market comparisons, and ARB hearing preparation.

Introduction To Personal Property: Business Aircraft is the first course in a series of three, which utilizes lectures, classroom discussions, and group activities to discover the details of aircraft taxation process.

The course offers 4 Continuing Education Hours in appraisal, standards, and methods. Please see the attached Texas Comptroller of Public Accounts (Form 50-783).
